# Product Description

## Product Description

### Jg75X Steel Scraps Wheel Excavator with Magnetic and Electric Sucker

The heavy-duty working device and large oil cylinder have super digging force, understand the boom technology, expand the working range and improve the adaptability of the whole vehicle.

The use of low-noise engine and fan effectively reduces indoor noise and improves the comfort of the whole machine. The machine adopts the latest fuel-saving technologies, such as in-cylinder direct injection, high compression ratio, turbocharging, etc.
