Product Description

Second Hand Digger Volvo Ec240 Hydraulic Crawler Excavator China Excavator
Product Description

- The Volvo EC240B excavator is a widely popular construction machinery.
- 1. Powerful excavation power: The Volvo EC240B excavator has excellent excavation power, which can easily handle various complex soil types and working environments.
 - 2. High work efficiency: Compared to excavators of other brands, its work efficiency is very high, which means it can complete more tasks in the same amount of time.
 - 3. Stable operation performance: The walking part has been lengthened in design, making the operation more stable and reducing shaking and unstable factors during work.
 - 4. Safety: The safety performance of this excavator is excellent, with great traction, ensuring stability and safety in various working environments.
 - 5. High-quality engine: Its engine is very powerful, providing a strong power source for the excavator.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
