Product Description

Used Good Working Condition Cat313d2 Crawler Excavator China Used Cat Excavator Product Description

The Cat 313D2 excavator is a highly efficient and durable piece of equipment. Equipped with a C4 mechanical control engine, it boasts high efficiency and durability, with a power output of 70Kw/rpm, a displacement of 4.4L, and a bore x stroke of 105x127mm. The engine is cooled using water cooling. In addition, it has excellent handling and comfort, performing well under general working conditions. As an upgraded version of the CAT 312D, the Cat 313D2 hydraulic excavator can effectively improve productivity and reduce operating costs. Its unique features include unparalleled versatility, better handling, ease of operation, and a newly designed comfortable operator station, which make it a leader in the industry.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
