Product Description

Kubota Kx183-3 8 Ton Japan Original Used Mini Excavators Hydraulic Crawler Digger

Product Description

The Kubota KX183-3 is a powerful and versatile mini excavator that is perfect for small to medium-sized construction projects. With a maximum digging depth of 2.5 meters and a lifting capacity of 1.3 tons, this machine can handle a variety of tasks with ease. Its compact design and easy maneuverability make it ideal for working in tight spaces, while its fuel-efficient engine reduces operating costs. The Kubota KX183-3 is backed by Kubota's reputation for quality and reliability, ensuring that it will provide years of dependable service.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
