Product Description

Sany Sy135c Used Stable And Efficient Excavator China Secondhand Used Digger

Product Description

Introducing the Sany SY135C Excavator, a powerful mid-sized construction equipment designed for challenging projects. Equipped with a robust Isuzu engine, it delivers 86kW of power and a large bucket capacity of 0.6 cubic meters. Its excellent climbing ability and high ground bearing pressure make it ideal for complex environments. The SY135C also boasts a fast travel speed of 5.5/3.5km/h, enhancing work efficiency. Overall, the Sany SY135C is a reliable partner for construction projects due to its remarkable performance and efficient operation.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
