Product Description

Used Excavator Sany Sy205c Cheap Price 20 Ton Excavator China Sany Sy205c Digger
Product Description

Sany SY205C is a medium-sized excavator that boasts high efficiency and low energy consumption. This product features high-quality core components to ensure the stability and reliability of operations. Its scientific and user-friendly design also makes the operator's work more comfortable and the equipment maintenance more convenient. In the market, SY205C is known as "the king of daily operation", and it is loved by many bosses due to its strong power, low fuel consumption, and excellent market performance. The national version SY205C won the China Construction Machinery Annual Product Top50 Product Award in 2023 for its outstanding performance.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
