**Product Description**

**Sany Sy135c Used Stable And Efficient Excavator China Secondhand Used Digger Product Description**

The Sany SY135C Excavator is a mid-sized machine engineered for demanding construction tasks. It features a potent Isuzu engine, delivering 86kW of power and a substantial bucket capacity of 0.6 cubic meters. This model excels in climbing ability and ground pressure, making it suitable for intricate settings. Additionally, the SY135C offers a fast travel speed of up to 5.5/3.5km/h, boosting work productivity. In summary, its robust performance and efficiency make the Sany SY135C a dependable choice for construction needs.

## FAQ

### 1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

### 2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

### 3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

### 4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
