Product Description

Second Hand Digger Volvo Ec240 Hydraulic Crawler Excavator China Excavator

Product Description

The Volvo EC240B excavator stands out as a preferred choice in construction equipment for its impressive features:

1. **Robust Excavation:** The EC240B delivers exceptional digging force, adeptly tackling diverse soil conditions and environments with ease.
2. **Efficiency Gains:** It outperforms competing models, offering increased productivity that translates to more tasks completed within the same timeframe.
3. **Enhanced Stability:** A lengthened undercarriage design ensures greater stability during operation, minimizing vibration and instability.
4. **Superior Safety:** With robust traction, this excavator guarantees safety and stability across various job sites.
5. **Powerful Engine:** Its high-quality engine provides a strong power source, ensuring the machine's reliability and performance. Experience the Volvo EC240B excavator's superior performance and elevate your construction projects to new heights of efficiency and safety.

FAQ

1. Why can we trust you?

Our company has focused on top quality used construction machines and parts for over 20 years in China. We started as a small construction machinery shop, but now we have become one of leading suppliers in the used construction machines in China.

2. What's your payment term?

Our payment term is T/T, Cash, Western Union.

3. Do you guarantee quality of machines you sold.

We have a very strict control on machine quality, all machines must be tested strictly to avoid any mechanical problem before sales. What's more, we guarantee quality for one year after sales.

4. Can you ship worldwide?

We are very experienced in shipment of heavy machinery, so just tell us your destination port, we will take care of everything from door to door.
